## Health and social care integration

Update on progress

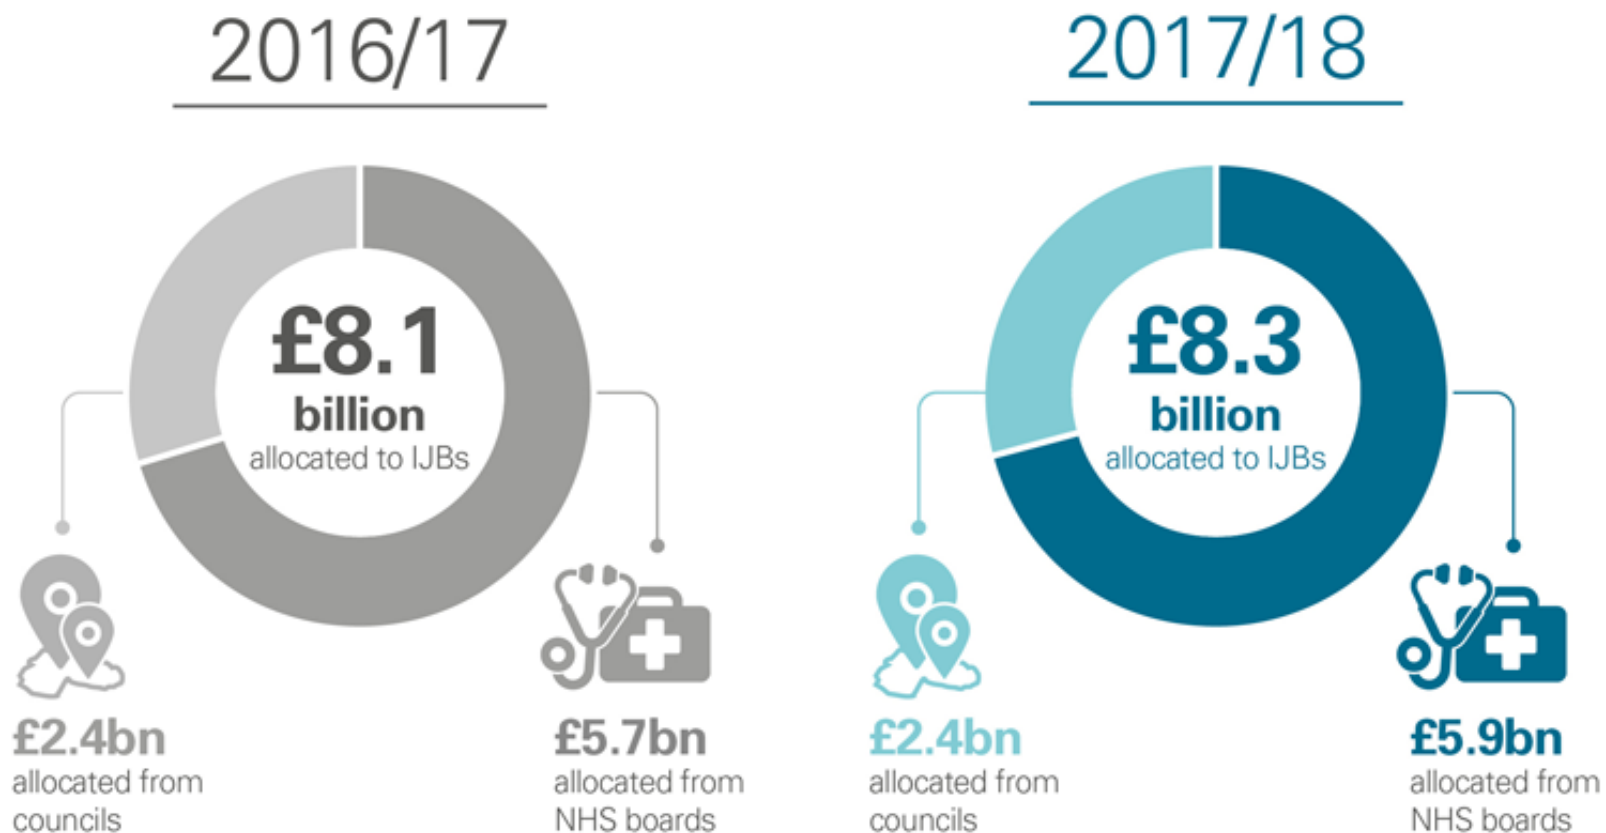

ACCOUNTS COMMISSION 

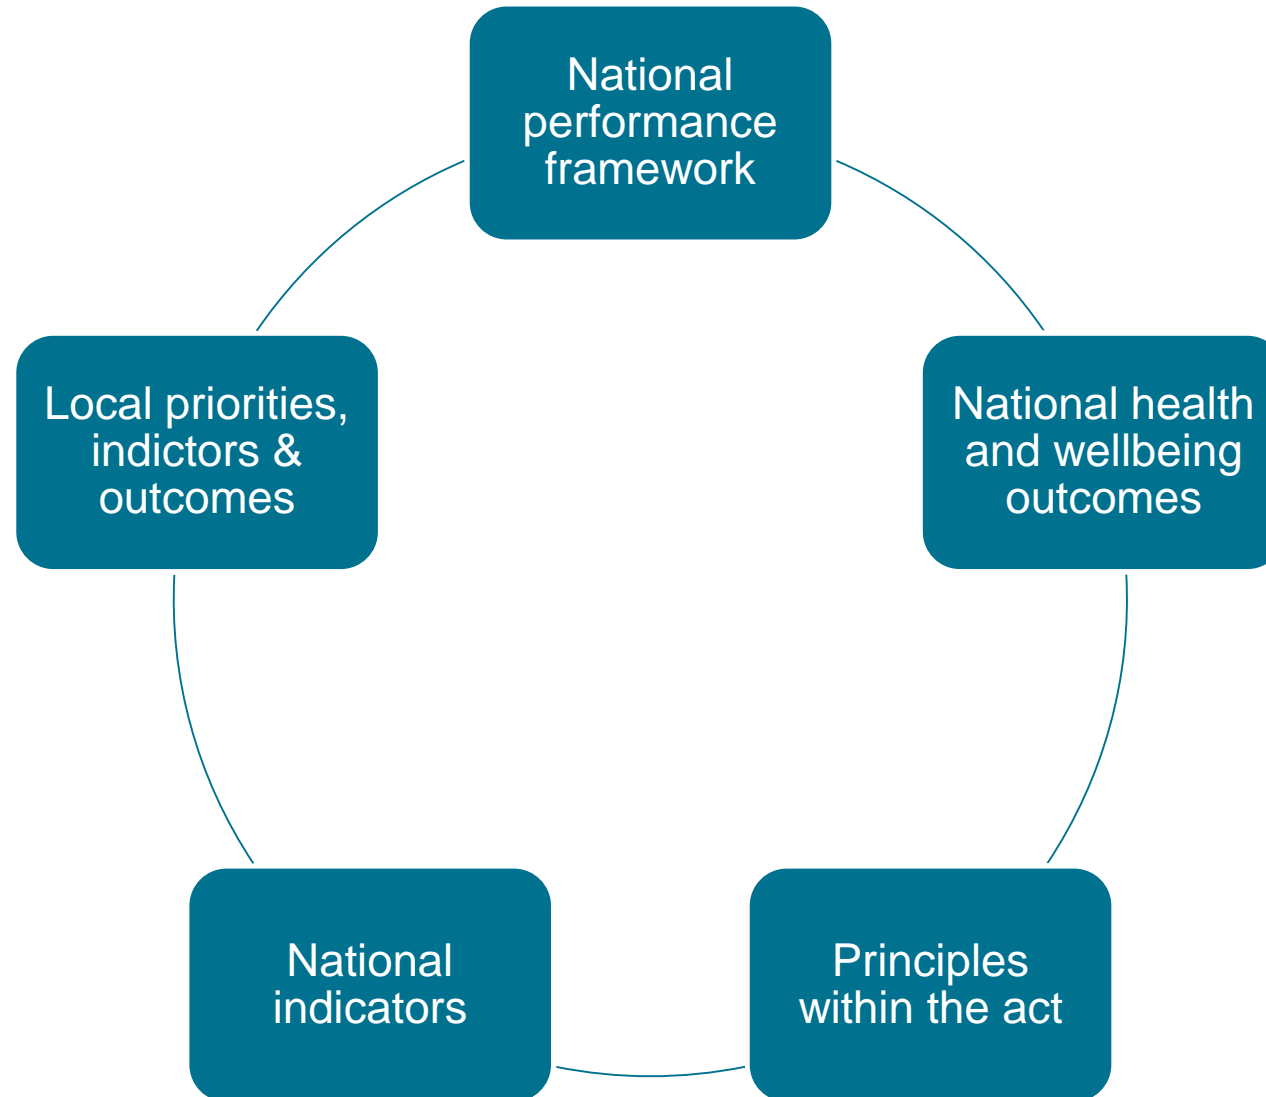

AUDITOR GENERAL 

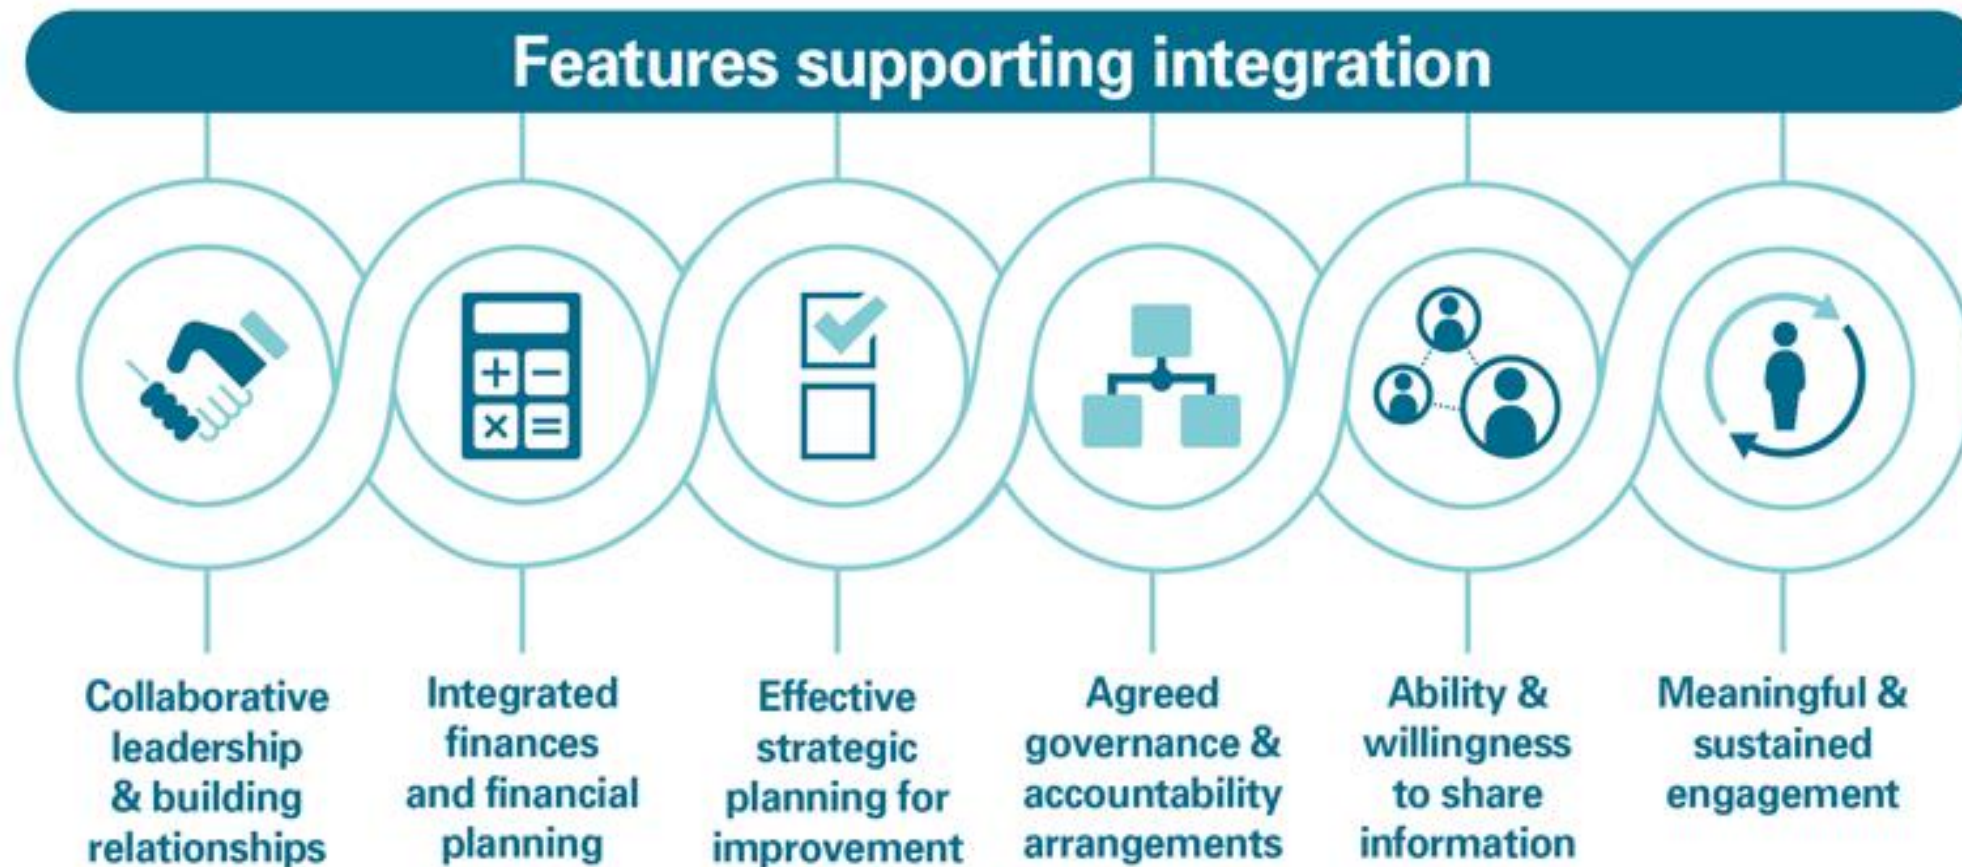

Prepared by Audit Scotland  
November 2018

# Scale of integration

Lead Agency – the allocation for Highland Health and Social Care Services was:  
£595 million in 2016/17 | £619 million in 2017/18

How effectively are integration authorities planning sustainable, preventative and community based services to improve outcomes for local people?

What needs to happen to ensure the third sector, carers and people using services have sustained and meaningful engagement in service planning?

# Thank you

Claire Stevens, Voluntary Health Scotland

Zhan McIntyre, Scottish Federation of Housing Associations

Gerry Power, The Health and Social Care Alliance
