

# Sponsorship of the Scottish Community Link Worker Network Annual Conference and Awards 2025

Join us on May 7th at the Radisson Blu in Glasgow

# Scottish Community Link Worker Network

Join us on Wednesday May 7th for the 3rd Scottish Community Link Worker Annual Conference. 2025 is an extra special event as we will host the first ever **Community Link Worker Awards** in Scotland as part of the event.

**Keynote Speaker:**  
**Neil Gray, Cabinet**  
**Secretary for**  
**Health and Social**  
**Care**

The Scottish Community Link Worker Network is a vibrant network and community of practice for Scotland's primary care community link workers and currently has over 360 members from across the country.

The SCLWN Annual Conference is an excellent opportunity to network and engage with Community Link Workers from across Scotland.

**Join us and showcase your organisation!**

# About The Event: First Scottish Community Link Worker Awards

The Annual Conference is centred around Health, Hope and Healing. The day is a mix of keynote speakers, round table discussions, panel sessions and will close with the presentation of the first awards for the network in Scotland.

## We have two award categories:

- Scottish Community Link Worker Team of the Year
- Outstanding Scottish Community Link Worker of the Year

As well as the conference, we also have our large exhibition space located in the conference refreshment and lunch area. It is an excellent area to network with the attendees and showcase your services.

## Event Highlights

## About us

Voluntary Health Scotland are the national voice, intermediary and network for voluntary health organisations in Scotland. We're passionate about what the voluntary health sector can achieve for people's health and wellbeing. We work with our members and others to address health inequalities, to improve health related policy, systems and partnership working, and to help people and communities to live healthier and fairer lives

VHS' Scottish Community Link Worker Network is a national network for primary care community link working in Scotland. The aim of the network is to create a space for community link workers in primary care settings in Scotland to come together to share learning and to develop, network and support each other in order to improve outcomes for their patients and communities.
