**The Voluntary Health Scotland Conference is back - Be part of the day!
Join us on the 28th October 2025 in Glasgow**

This year we will be hosting our Annual Conference at the Radisson Blu in Glasgow City Centre, and we would love for you and your organisation to be part of the day.

Our annual conference is one of the leading health events in Scotland. This year's theme is 'Collaboration for Change'. Health inequalities continue to widen in our communities, and our event will highlight how Scotland's third sector is working in partnership to tackle big issues and drive meaningful change in the community.

We aim to attract a wide-ranging audience of up to 200 attendees from across sectors from all over Scotland.

We have several opportunities for organisations to get involved.
