

Call for VHS Annual Conference Poster Submissions:

Display your poster with a chance of being the winner of our Annual Poster Competition 2025!

Tuesday 28th October 2025, Radisson Blu, Glasgow

At Voluntary Health Scotland we focus firmly on health inequalities, and our annual conference will do the same. Under the theme *Collaboration for Change*, we would like to invite our members to display a poster at our conference on the 28th October with a focus on your organisation's role in collaborating to tackle health inequalities, creating fairer health and wellbeing in Scottish Communities.

How is your work collaborative?

How do you integrate collaboration into your work?

Whether it's working across sectors, alongside communities, and in partnership, through community engagement, advocacy, or other approaches, we are asking you to create a visualisation of how your work is collaborative and some subsequent positive outcomes.

We will select shortlisted finalists to display their poster on the day of the conference. Following a live audience vote, the winner will be selected and announced on the day! As a finalist, you'll get:

- ✓ The opportunity to submit a blog about your poster shared across the VHS community
- ✓ The opportunity to present your poster to the audience of 150+ attendees
- ✓ Your poster exhibited inside the plenary hall through the day of the conference to showcase your work
- ✓ One free ticket to the conference (worth £65)
- ✓ The winner will be awarded a prize at the end of the conference
