Where are our member organisations?

“ Lots of existing and newly published reports to read for my own knowledge building; we really do have such a rich amount of data – let’s use it to our advantage to make change.”

“ The help you give CLWs is absolutely amazing, it really brings everyone together which is not an easy task when every project is quite different to the others.”

“ Really happy to support anything VHS is doing! – I love your organisation and all the people I have met through it.”

In feedback for VHS’s Annual Conference, 100% of those who provided feedback rated the overall conference as good or excellent.
